

KENTUCKY

KPGA Majors Hard Card

Play is governed by the Rules of Golf effective January 2023, and where applicable, by the following Local Rules and Terms of the Competition. Committee Procedures refers to the Committee Procedures section in the current Official Guide to the Rules of Golf. The Committee refers to the Tournament Committee assigned to each event. Unless otherwise noted, the penalty for breach of a Local Rule is the general penalty (2-strokes in Stroke Play / Loss of Hole in Match Play).

Ground Under Repair (GUR): Areas marked in white (**not including DROPPING ZONES or OUT OF BOUNDS**) and as defined in the Rules of Golf. Reference Rule 16 for when relief is allowed.

Relief From Sod Seams/Cut Turf (MLR F-7): If a player's ball lies in or touches a seam of cut turf or a seam interferes with the player's area of intended swing: **(a)** Ball in General Area: The player may take relief under Rule 16.1b. But interference does not exist if the seam only interferes with the player's stance.

All seams within the area of cut turf are treated as the same seam in taking relief. This means that if a player has interference from any seam after dropping the ball, the player must proceed as required under Rule 14.3c(2) even when the ball is still within one club-length of the reference point. **Penalty for Playing Ball from a Wrong Place in Breach of Local Rule: General Penalty Under Rule 14.7a.**

White-Lined-Areas Tying into Immovable Obstructions: are treated as a single abnormal course condition when taking relief under Rule 16.1. Railroad ties, curbing or other similar artificial edges adjoining cart paths are part of the same obstruction.

Immovable Obstructions Close to Putting Green (MLR F-5.2): For a ball in the general area, relief may be taken under Rule 16.1b when both the ball and obstruction lie in an area cut to fairway height or less. The obstruction must be located i.) on or within two club-lengths of the putting green, ii.) on the player's line of play, iii.) the ball must be within two club-lengths of the obstruction.

Temporary Immovable Obstructions (TIO): MLR F-23 is in effect.

Ball Deflected by Power Line (MLR E-11): If it is known or virtually certain that a player's ball hit an overhead power line (or supporting structures), the player must replay a ball without penalty from where the previous stroke was made (see Rule 14.6 for replaying stroke). If the player does not replay the stroke, they get the general penalty and the stroke counts, but the player has not played from a wrong place.

Integral Objects (MLR F-1) (Free relief not allowed): Artificial retaining walls and/or pilings when located in penalty areas, wires, cables, wrappings, signs and lightning rods closely attached to trees or objects and bunker liners in their intended position. **NOTE:** An exposed bunker liner, not in its intended position, is ground under repair if it interferes with the lie of the ball or area of intended swing, but not if it **ONLY** interferes with stance.

Penalty Areas: When a penalty area is defined only on one side, it extends to infinity. When a penalty area is connected to the out-of-bounds edge, the penalty area extends to and coincides with out of bounds.

Player Has Not Played from Wrong Place When Unaware Ball Might Have Moved (MLR E-14): If a player causes their ball at rest to move & they fail to replace it before making their next stroke when they were neither aware that the ball had moved nor that it might have moved, the player gets **one penalty stroke** under Rule 9.4b (unless any of the exceptions under that Rule apply) but has not played from a wrong place if it subsequently becomes known that they caused the ball to move

Animal Near Ball: MLR E-13 is in effect. (Currently this is in the rules app under "additional clarifications".)

Out of Bounds (OB) & Course Boundaries: OB is defined by a straight line between the course-side points at ground level of white stakes and fence posts. When a white line is used for OB, the inside edge of the line defines the OB not any stakes or fence.

Stopping and Resuming Play: A suspension of play for a dangerous situation will be signaled by **one prolonged note** of a siren or horn. All other suspensions will be signaled by **three consecutive notes** of a siren or horn. In either case, resumption of play will be signaled by **two short notes** of a siren or horn. Note: All practice areas are closed during an immediate suspension for a dangerous situation until the Committee has declared them open.

Restrictions on Practice (MLR I-2): In stroke play, between the play of two holes a player must **NOT** make any practice stroke on or near the putting green of the hole just completed, test the surface of the putting green by rubbing the putting green or rolling a ball. **Penalty: General Penalty applied to the next hole.**

List of Conforming Driver Heads: MLR G-1 is in effect. **Penalty: Disqualification.**

List of Conforming Golf Balls: MLR G-3 is in effect. **Penalty: Disqualification.**

Transportation (MLR G-6); Only Applies to Walking Only Tournaments: During a round, a player or caddie must not ride on any form of motorized transportation except as authorized or later approved by the Committee.

Pace of Play: The pace of play policy as prescribed in registration agreement and/or Terms of the Competition is in effect.

Code of Conduct (CoC): The code of conduct policy as prescribed in registration agreement and/or Terms of the Competition is in effect.

Music (in CoC): During their round a player is prohibited from using a device to play and listen to music as specified in the Code of Conduct. (Penalty progression: Warning, 1 penalty stroke, 2 additional penalty strokes, DQ.)

Scorecards: For the purpose of applying Rule 3.3b (2), a player's scorecard is treated as returned when the player has first left the scoring area with both feet. **MLR L-1** is in effect, if the player or marker fails to certify the scorecard.

When the Competition is Final: When all scores and match results have been officially posted and approved by the Committee, the competition is final.
